TVM REACH Compliance

TVM REACH Compliance

REACH is the European Union's legislation on chemicals (EC regulation n° 1907/2006). It deals with the Registration, Evaluation, Authorisation and restrictions of chemical substances.

On 28th October, 2008, ECHA has published the Candidate List of Substances of Very High Concern (SVHC) for authorisation, which currently contains 15 substances (See Appendix 11.2)

This candidate list will be regularly updated when more substances are identified as SVHC.

EU article producers and/or importers will have to notify ECHA if their article contains a substance on this Candidate List. This obligation applies if the substance is present above 0.1% (w/w) and its quantities in all the produced/imported articles are above 1 tonne in total per year per company.

Besides, from 28 October 2008, EU producers/ importers, as well as suppliers of articles (i.e distributors) which contain substance(s) on this Candidate List in a concentration above 0.1% (w/w) must provide sufficient information, available to them, to their customers and on request to a consumer. This information must ensure safe use of the article and, as a minimum, include the name of the substance.

In order TVMania to comply with the rules and regulations of REACH TVMania requires from all its suppliers full compliance with these regulations. TVMania suppliers must sign the Declaration on REACH Compliance and return back to TVMania (See Appendix 11.1)

Appendix 11.1 – REACH Compliance Commitment to be signed by TVMania suppliers

REACH Compliance Commitment

Dear Supplier,

REACH is the European Union's legislation on chemicals (EC regulation n° 1907/2006). It deals with the Registration, Evaluation, Authorisation and restrictions of chemical substances. <http://echa.europa.eu/>

On 28th October, 2008, ECHA has published the Candidate List of **Substances of Very High Concern (SVHC)** for authorisation which currently contains 15 substances (See SVHC list next page).

This candidate list will be regularly updated when more substances are identified as SVHC.

EU article producers and/or importers will have to notify ECHA if their article contains a substance on this Candidate List. This obligation applies if the substance is present above 0.1% (w/w) and its quantities in all the produced/imported articles are above 1 tonne in total per year per company.

Besides, from 28 October 2008, EU producers/ importers, as well as suppliers of articles (i.e. distributors) which contain substance(s) on this Candidate List in a concentration above 0.1% (w/w) must provide sufficient information, available to them, to their customers and on request to a consumer. This information must ensure safe use of the article and, as a minimum, include the name of the substance.

This Regulation therefore introduces an obligation for all the parties in the supply chain to communicate with each other, ensuring that all participants make appropriate preparations to fulfil their obligations.

As recipient of TVMania order, you accept full responsibility to comply by your side and your suppliers' side with regulations of REACH.

Your signature below guarantees that you accept REACH regulations and undertake to comply with them.

Thank you,
Delinke Zajzon
TVMania QA & Compliance Director

Appendix 11.2 – List of Substances of Very High Concern – part of REACH Compliance Commitment to be signed by TVMania suppliers

List of **Substances of Very High Concern (SVHC)** published on 28th Oct, 2008 by ECHA

Substance name	CAS number	EC number	Reason for proposing
Anthracene	120-12-7	204-371-1	PBT
4,4'-Diaminodiphenylmethane	101-77-9	202-974-4	Carcinogen, Cat.2
Dibutyl phthalate	84-74-2	201-557-4	Toxic for reproduction, Cat.2
Cobalt dichloride	7646-79-9	231-589-4	Carcinogen, Cat.2
Diarsenic pentaoxide	1303-28-2	215-116-9	Carcinogen, Cat.1
Diarsenic trioxide	1327-53-3	215-481-4	Carcinogen, Cat.1
Sodium dichromate	7789-12-0/10588-01-9	234-190-3	Carcinogen, Cat.2; Mutagen, Cat.2; Toxic for reproduction, Cat.2
5-tert-butyl-2,4,6-trinitro-m-xylene (musk xylene)	81-15-2	201-329-4	vPvB
Bis (2-ethylhexyl)phthalate (DEHP)	117-81-7	204-211-0	Toxic for reproduction, Cat.2
Hexabromocyclododecane (HBCDD) and all major diastereoisomers identified	134237-50-6/134237-51-7/134237-52-8	247-148-4/221-695-9	PBT
Alkanes, C10-13, chloro (Short Chain Chlorinated Paraffins)	85535-84-8	267-476-5	PBT and vPvB
Bis(tributyltin)oxide	56-35-9	200-268-0	PBT
Lead hydrogen arsenate	7784-40-9	232-064-2	Carcinogen, Cat.1; Toxic for reproduction, Cat.1
Triethyl arsenate	15606-95-8	427-700-2	Carcinogen, Cat.1
Benzyl butyl phthalate	85-68-7	201-622-7	Toxic for reproduction, Cat.2
